SUBJECT: LEAHY VETTING REQUEST: ANP Officers for Drug Interdiction Training

11. This is an action request - see paragraph 2.

12. In order to comply with Leahy human rights vetting requirements, this cable forwards the names and biodata of 60 Afghan National Police (ANP) sergeants to be trained in drug interdiction at the Narcotics Interdiction Unit facility in Kabul in early July. Post has made a good faith effort to ensure that the individuals with one name actually only have one name. Post has reviewed the information available on these individuals and has found no derogatory information. Post requests Department's review of these candidates and response by July 5, 2007.
